Application for Lake Taupō Berthing Permit

This application complies with the Lake Taupō (Crown Facilities, Permits and Fees) Regulations 2004.

You must have a vessel before applying for a berth on Lake Taupō. When a berth is allocated to you, your vessel must be ready to occupy the berth.

Once a berth is available for your vessel, you will be asked to complete the Lake Taupō Berthing Permit Agreement, to accept the Lake Taupō Berthing Permit Conditions, and to provide evidence of your insurance cover.
